

VIOLET VISION

In the name of GOD,
In the name of Good,
In the name of CHRIST and the Divine Brother and Sisterhood.

**MY HOLY CHRIST SELF NOW MANIFEST
FOR ALL OF MY BRETHREN AND I TO BE DIVINELY BLEST!**

I now fill every atom, cell and molecule of my being with Violet fire,
I feed the flames and they soar higher.
Patterns and cycles that have kept me bound, are disassembled and made unsound.
The misqualified energy is now redeemed, made pure and whole to build my dream.
My mind, my body, my breath, my sight, all parts of me are in Violet Light.
I burn away the lesser being, the Holy Spirit in me I AM Seeing.

VIOLET, VIOLET, VIOLET FIRE, the Heart of God is my desire.
I break the patterns, I break the mold, God Freedom in me now unfolds.
My Higher Self knows what to do, with God Love and Guidance I am now imbued.

I call, I call, I call forth Now! Transmutation fires to me endowed.
I see them here and all around, they make me whole and Godly sound.
I transmute the past in every action. I AM now a Violet Fire attraction.
Enormous Power, Strength and Might, I now command the Violet Light!

I emanate it all around, left and right, up and down.
The room, the building, neighborhood and the city,
Filled with Violet fire made real pretty.
Out in the country, the county, the State, and Nation,
Bathed in a perfect Violet Fire vibration.
All rivers, and lakes, oceans, and seas, filled with Violet Fire to correct degree.
All continents, and large, medium and small land masses,
the violet fire through all now passes.
It surrounds the World in all dimensions and paves the way for mass ascension.

This Vision clear, this Vision bright, the entire Earth in Violet Light.
Age old karma is now undone, all minds are merged with the Loving One.
I hold this picture in perfect form, Violet Angels around the Earth now swarm.
Dropping sparks into every aura, the World a garden of Heaven's Flora.

I build this picture, I build this dream, as it is supported by mighty Violet beams.
I am not alone, but with the Brotherhood and Sisterhood,
For what we do for the World is just and good.
We now expand and the past transcend, bring the limited awareness to a timely end.
For eternal Life is ours to share, and our duty to spread it everywhere

**I DECREE AND AFFIRM THIS NOW IN ACTION,
BY DIVINE DECREE AND THE LAW OF ATTRACTION.
THE LAWS OF LOVE, CONCENTRATION AND DEGREE,
DAILY BUILD THIS PICTURE FOR HUMANITY.
I ACCEPT IT NOW AND EVERY SECOND GROWING,
FOR THE LOVE OF GOD TO ALL IS SHOWING!**

Om...
